Forza power strip with universal NEMA outlets

The Forza PS-1006 Power strip is the essential component designed for connecting small appliances and electronics.
Conveniently and highly functional, this is the only power strip in the market that features perfect-fit outlets, which prevents plugs from becoming loose or slipping off the socket accidentally.

Highlights

- Three-prong grounded plug
- Built-in circuit breaker
- Lighted on/off switch
- 6 perfect-fit sockets
- 10-foot cable
- Fire retardant enclosure
- Wall-mounting holes
