

FSP-821RUSBCW

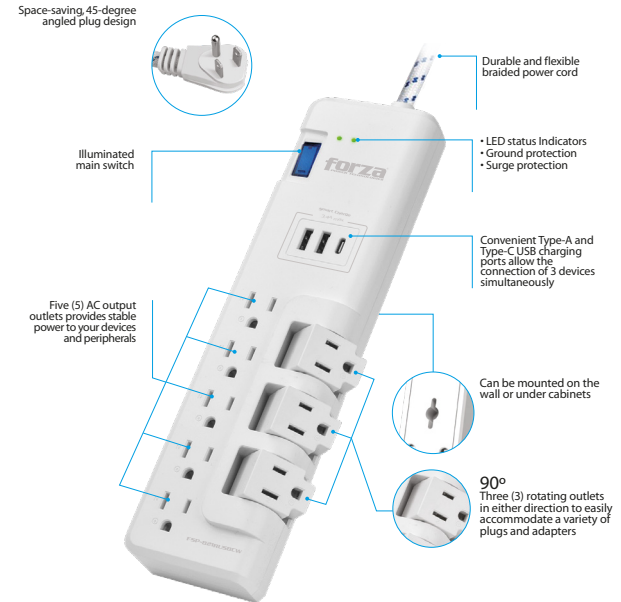

Forza line of surge protectors is the reliable solution to guard all your appliances, electronic equipment and entertainment components from damage caused by electrical surges, lightning strikes and overloads. Our FSP-821RUSBCW features five standard outlets plus three rotating outlets designed to maximize the space by easily accommodating bulky plugs and adapters.

The smart USB charging technology enables the detection and delivery of the optimal current output of up to 3.4A through each of its three built-in ports. It is capable of simultaneously keeping tablets, smartphones and other rechargeable electronics always handy and ready to go. Convenient power and protection can now be part of the modern entertainment and workspace with the innovative design, world-class construction and superior safety features that this new surge protector has to offer.

Highlights

- Grounds AC power through eight (8) surge protected outlets
- Three rotating outlets accommodate a variety of plugs and adapters
- Two (2) Type-A and one (1) Type-C USB charging ports intelligently detect the connected devices to supply the optimal charging current
- Durable and flexible six-foot fabric braided cord
- Its low-profile flat plug fits easily in tight spaces like behind cabinets, desks or furniture, or anything close to the wall
- Advanced MOV (metal oxide varistor) provides enhanced protection for electronic components against voltage spikes of up to 2200 joules
- Keyholes for easy mounting to a wall, or under a cabinet or countertop

MPN	FSP-821RUSBCW
Input	
Voltage	110/220VAC
Amps	13A
Frequency	50/60Hz (autosensing)
Watts	1625W
Surge rating	2,200J
Maximum spike current	10000A
AC plug style	45-degree angled plug
Output	
Voltage	110/220VAC
Outlet type	Total of eight (8) NEMA 5-15R Five (5) standard type Three (3) 90-degree rotating type
Overload protection	13A
USB charging port	Two (2) USB Type- A + one (1) Type-C port of 5V/3.4A each
Physical appearance	
Switch	Lighted
LED indicators	Ground and surge protection
Housing	Flame-retardant plastic
Color	White
Cord length	6 ft
Wire gauge	16 AWG
Product dimensions (LxWxH)	10.6 x 3.1 x 1.5 in
Product weight	1.4 lb
Additional information	
Warranty	Lifetime
