

FSP-06MN

This Forza Home/Office Surge Protector provides reliable protection to guard all your appliances and electronic equipment from electrical surges and spikes.

Featuring a unique socket design, this surge protector virtually accommodates every plug you can find in the world today. And that is not all, your frustrations are now over thanks to another great Forza innovation: the on/off switch now comes with a clear protective lid, to prevent accidental trigger or disconnection of the unit.

Highlights

- Grounds AC power through 6 surge-protected outlets
- Clear switch lid snaps tight to prevent accidental trigger or shutoff
- LED protection indicator
- LED ground indicator
- Overload resettable circuit breaker
- Universally compatible sockets
- Can be mounted on the wall
